PRELIMINARY AUDIT CHECK FOR GRADUATION

(Use your current degree audit at http://www.stolaf.edu/cgi-bin/rgwaudit.pl for the most up to date credit info)

In order to be a member of the graduating class and participate in the commencement ceremony in May, students must meet the following graduation requirements. Please keep in mind **1**) You must officially add or delete Majors, Emphases, & Concentrations in the Registrar's Office, but they are officially certified by the individual dept chairs & then reported back to the Registrar's Office **2**) In order to participate (or walk) in the ceremony in May, students must have a minimum **GPA of 2.00** as well as a minimum of **33.00 credits** posted on their official St. Olaf record by the Thursday immediately prior to the commencement ceremony. There are **NO EXCEPTIONS** to this policy.

Official individual Senior Audits are conducted by the Registrar's Office staff beginning in October of each academic year once the senior class has been determined. Members of the senior class are notified by email to schedule an appointment for formal review of their individual record. At this time each senior fills out the Graduation Application providing required information and signatures necessary for ordering their diploma. In addition, a review of all General Graduation Requirements is completed ensuring each senior knows exactly what he/she needs to graduate or participate with the graduating class.
