Northfield Community Action Center
Supervisor: Sharon Vangsness

Northfield Community Action Center is a
multi-program, social service agency serving residents
within the Northfield School District.

- Served as a staff person working with clients on a regular basis, providing needed assistance
- Completed an overall evaluation on the scholarship program forming the framework for the CAC to seek increased funding to send additional children to camp

“It is disheartening to see all of the structural causes of poverty that you learn about in textbooks in the real world. Yet this also inspires me to continue learning and working to try to erase some of these barriers.”
