

Ryan Doyle

CENTER FOR SUSTAINABLE LIVING
SUPERVISOR: SCOTT SCHUMACHER

The Center for Sustainable Living: Promoting a culture of sustainability - in Northfield, Minnesota, and beyond.

- Advanced the “Car Free Day” initiative in downtown Northfield
- Created a networking connection of local business owners
- Created a blog for sustainable living practices
- Worked to promote sustainable policy development

“What America needs is a bold, innovative plan that puts us on the path to energy independence rather than oil dependence, that is not afraid to challenge the status quo in Washington, and that demands more from the American people while providing more for the American people.” Ryan Doyle
